

## **Water Main replacement work starts Monday Oct. 20, 2014**

---

Bids for this next phase of the water main replacement project were opened on Wednesday Sept 10<sup>th</sup>.

Ten (10) bidders responded; bids ranged from \$1,551,596.90 (low) to \$2,165,103.70 (highest); (\$26,600 difference between 1<sup>st</sup> & 2<sup>nd</sup>)

The low bidder is N. Granese & Sons, Inc. from Salem, MA.

The project involves replacement of various sized water pipes with eight (8) inch cement lined ductile iron water mains in the following roads:

Cunningham Drive  
Garfield Avenue  
Grant Avenue  
Lois Street  
Porter Lane  
Railroad Avenue  
Rust Street  
Sunset Lane  
Woodland Mead

The Engineer, Stantec Consulting Services Inc., reviewed all of the bids and recommended awarding the contract to Granese & Sons;

The bids and Consultant's recommendation were reviewed by Town staff and the contract was signed by the Town Manager on Oct. 2<sup>nd</sup>.

The contractor will be starting construction on Monday October 20th.
